

# ChromaComfort™ with Sensonic™

## Ventilation Fan with Multicolor LEDs, Dual Speakers and App Control

Whether you start the day as the star of a concert for one or end the day with a relaxing soak in the tub, Broan-NuTone's Sensonic™ Stereo Bluetooth speaker with ChromaComfort™ color changing light provides excellent sound with vibrant color to match. With included wireless wall control or Bluetooth® connected Apple® or Android™ app you're able to control light settings and brightness, set timers, control the fan, or create scenes with your favorite colors and music. All this with Roomside installation which includes EzDuct™ connector for fast installation without the need for attic access.
